# Costa Rica tour

## *Information*

### **Costa Rica rainforest adventure is on!**

Soar above the cloud forest, hike to a volcano and view incredible wildlife on this elevated adventure tour in Costa Rica. In Monteverde, we will glide above the trees on zip lines and walk through the cloud forest on a series of hanging bridges. The animals are more active at night so we will take a night hike through the forest to view animals such as monkeys and sloths. We will travel to La Fortuna to hike to the volcano, soak in thermal hot springs, and tube down the Celeste River. Our accommodations for this tour are 4 star hotels.
